

LAKEVIEW ON-CAMPUS CLASSES (LOC)
 Lakeview Christian School
 Registration for 2017-2018, 1st and 2nd Semester

Mission

Our mission is to partner with families to assist you as you home school your high school students by facilitating needed courses. We accomplish this mission by providing instructors who create lesson plans, assign homework, plan in-class activities, provide instruction in the hours each week when the class meets, and test and evaluate student work to provide a grade. Students are assigned the equivalent of a week's homework to complete, and parents must ensure that students complete the given assignments.

Website

See our website for details about our courses: <http://www.lakeviewbaptist.org/christian-school/>

Mandatory Parents Meeting

Important information about the course(s) your student will be taking will be presented at the mandatory two hour parents/teachers meeting on Tuesday, July 25, 2017 from 1:00 to 3:00 at Lakeview Baptist Church in N107. Each teacher will give an overview of the course they are teaching and you will receive important information about LOC's policies. Because this information is so important to your student's success in their class, one parent is required to attend. If you are unable to attend: 1) call 334 745-0901 to schedule a makeup meeting, and 2) attend the first meeting of each of your student's classes.

Class Dates

1st semester classes begin August 7, 2017 and end December 8, 2017

2nd semester classes begin January 8, 2018 and end May 7, 2018

Registering for a 1 credit course is a commitment to the teacher for the year.

See our website for class meeting times.

Why is a non-refundable policy necessary?

Our classes are based on a co-op model. Parents share their needs for classes and we contract with teachers to teach them. When you submit enrollment forms, you have “contracted” with LOC and the teachers and the other parents to participate in the class. If you then change your mind and withdraw, it places an unfair burden on the remaining families and breaks faith with the teacher who has agreed to teach X number of students for X amount of money.

Refunding tuition once the “contract” has been formalized would seriously undermine our ability to recruit and retain teachers in the future, as well as weaken class participation and quality.

If enough people wanted out it would cause enrollment numbers to fall so low we would need to cancel the class even though we’ve committed to families to provide it. This leaves them scrambling to find alternatives at the last minute. This is not fair or right.

That’s why we have the no-refund policy. That being said, we realize there may be hardship cases, extenuating circumstances beyond a family’s control that affect plans to continue in a class already enrolled in. If you feel you have extenuating circumstances, contact the coordinator: Terry Corbett at lcsclasses12@gmail.com.

High School Credits and Withdrawals

Lakeview Christian School will issue 0.5 high school credit or I credit, depending on the class, upon completion of the semester or school year. No partial credit can be awarded if the student withdraws before the course is completed. Notification of the final grade and credit is sent to the parents and the administrator of the student’s cover school.

Credits are based on the Carnegie system of 160-180 hours of course work (including instruction and labs). Since our classes meet only 2 hours per week for 32 weeks, the student receives 64 hours of instruction, and is given assignments to complete at home, under the supervision of the parents, to fulfill the rest of the course requirements. It’s important for parents to understand that you are responsible for seeing that your student completes the approximately 100 hours of out-of-class, self-instructed work assigned by the instructor. ***The parent is still the primary teacher of the student.***

Remember, as a home school parent your role is vital for the success of your student. It is essential that parents ensure students complete homework assignments. If assignments are not completed for each class meeting, the student misses the equivalent to a week of work in a traditional school setting.
