

Lakeview Junior High Classes

Lakeview Christian School

Registration Information for 2018-2019

"Jesus replied, 'Love the Lord your God with all your heart and with all your soul and with all your mind.' This is the first and greatest commandment. And the second is like it: 'Love your neighbor as yourself.'" Matthew 22: 37-39

Family Philosophy

As part of the Lakeview Home School Ministry, these classes seek to assist home school parents as they follow their God-given responsibility to train up their children both academically and spiritually. Our goal for these classes is not only to offer instruction in several core subject areas, but also to better prepare our students for their high school classes in the near future. The classes offered will stress attendance, completing assignments on time, organization, following the directions of the instructors, test taking, oral presentations, and other general classroom skills that will be necessary for success in high school classes. We believe the optimum time for our students to learn these skills is before they reach high school and are receiving Carnegie (graduation) units for each class.

Mandatory Parents Meeting

Important information about the course(s) your student will be taking will be presented at the **mandatory parent/teacher's meeting** on **July 24, 2017**, from 10:00 – 12 at Lakeview Baptist Church. You will have an opportunity to meet each teacher and hear her give an overview of the course she is teaching. You will also have an opportunity to ask questions. Because this information is so important to your student's success in his/her class, one parent is required to attend. Students may come, but it is not required.

1st semester classes begin August 13, 2018, and end December 10, 2018
